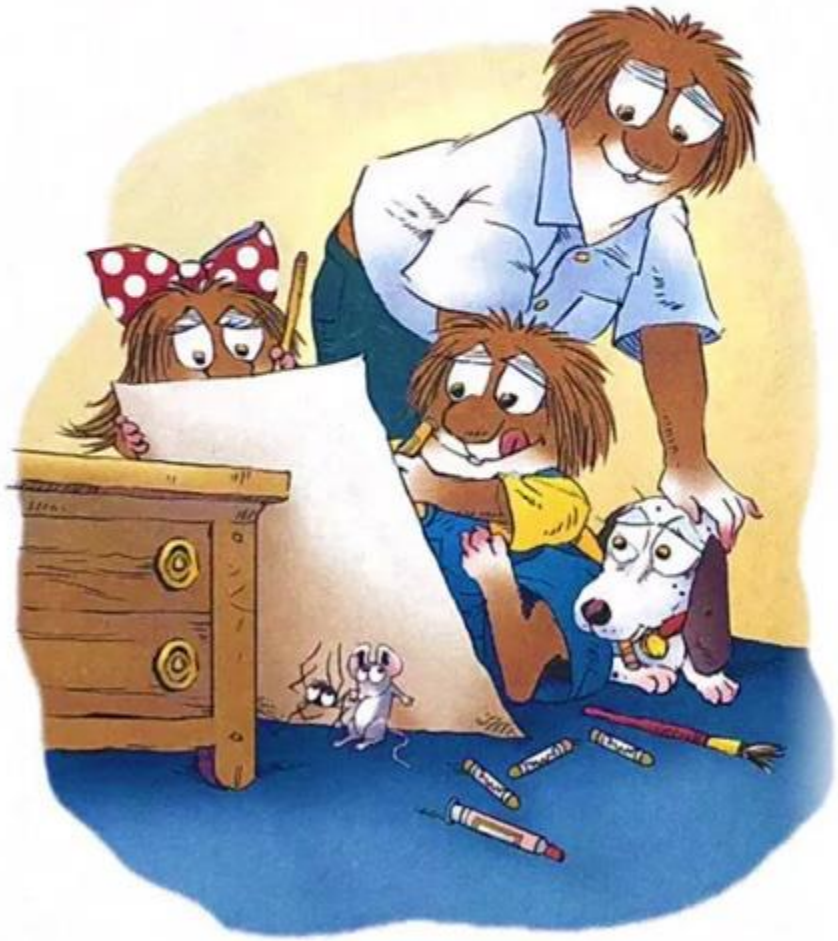
Grandpa calls and says
Grandma isn't feeling very well.

We decide to go and
cheer her up with love.

I draw a get well card
just for Grandma.
Little Sister helps.



Mom makes egg salad.
She puts olives in it.
I love olives, but I spill them.

"Look, Mom," I say.

"Blue loves olives, too!"

Little Sister picks flowers

just for Grandma.

But a bee stings her.

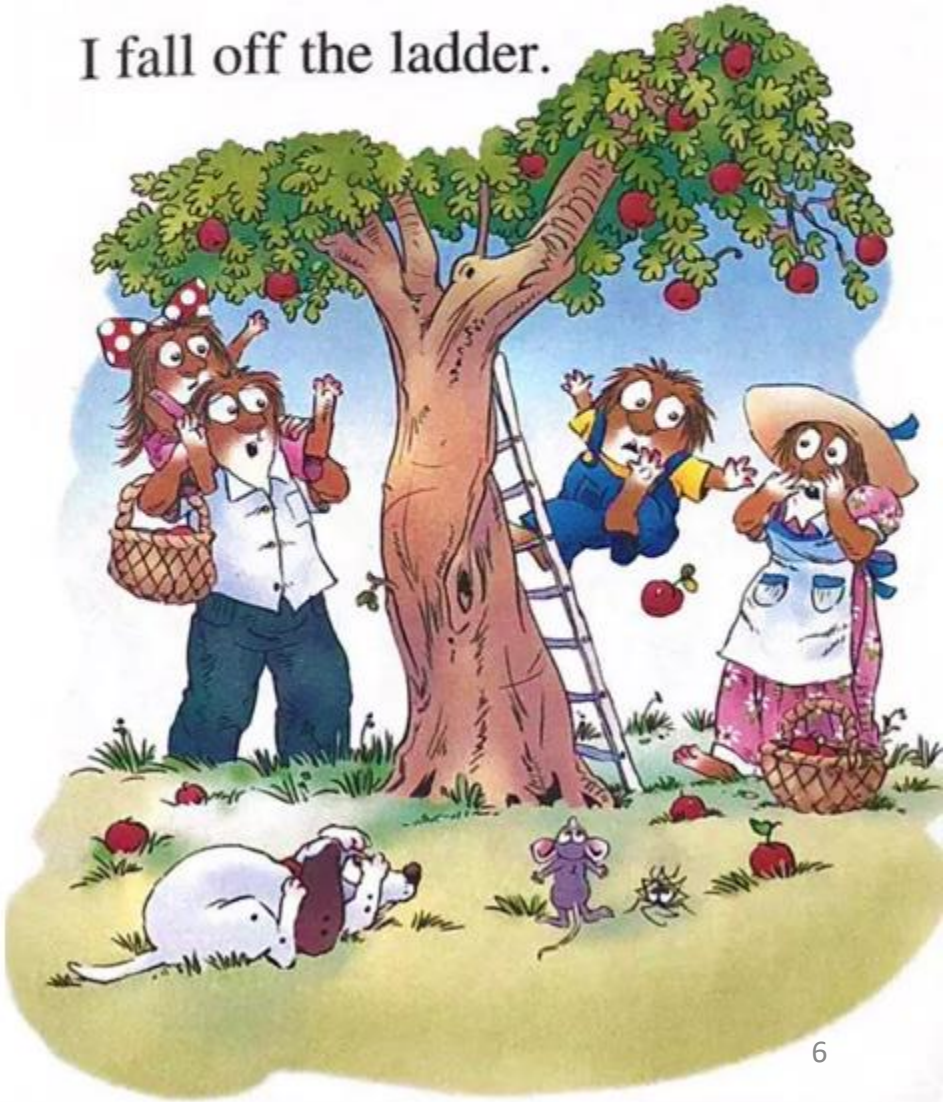
Mom gives her a little love.

Then she feels better.

We pick apples for Grandma.

We put them in a basket.

I fall off the ladder.



I do not cry much.

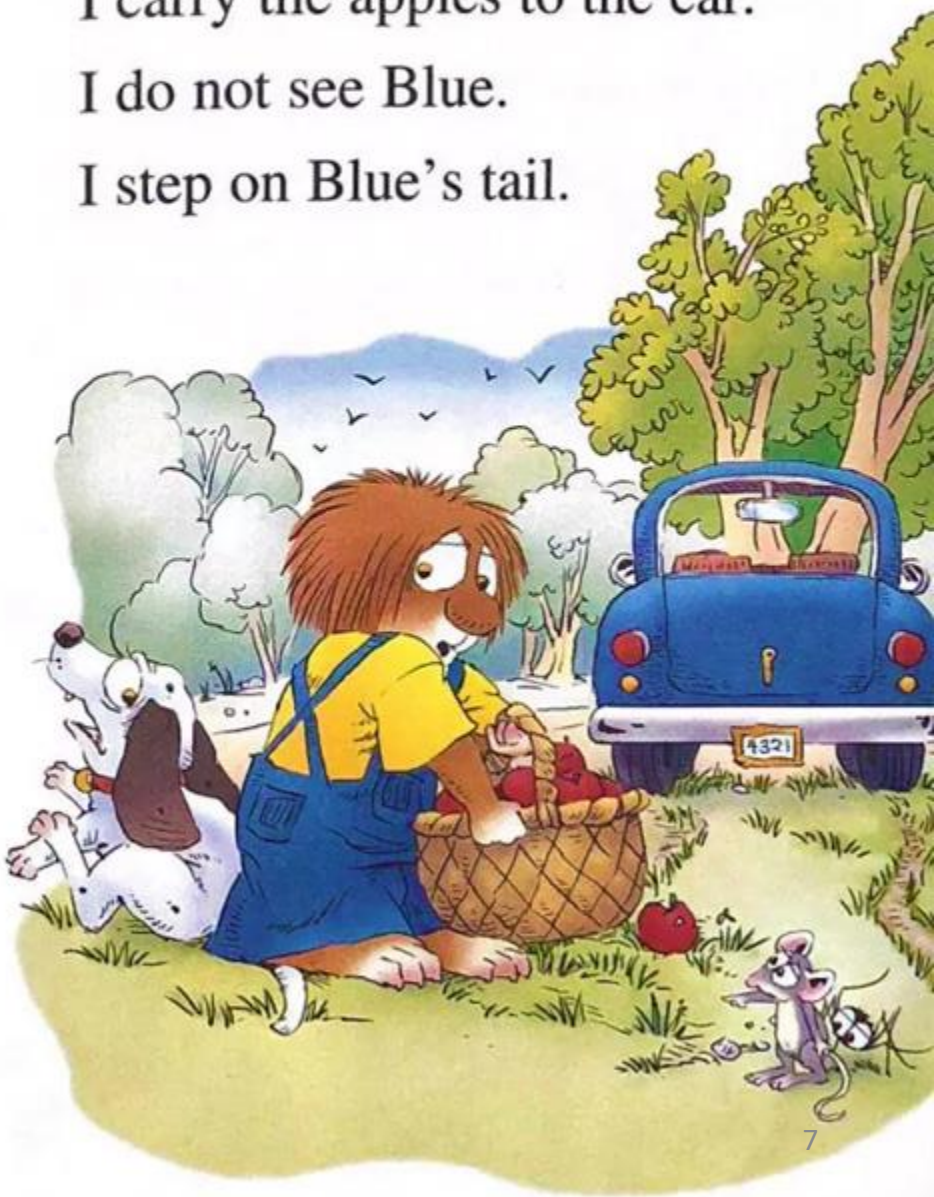
Dad gives me some love.

I feel better.

I carry the apples to the car.

I do not see Blue.

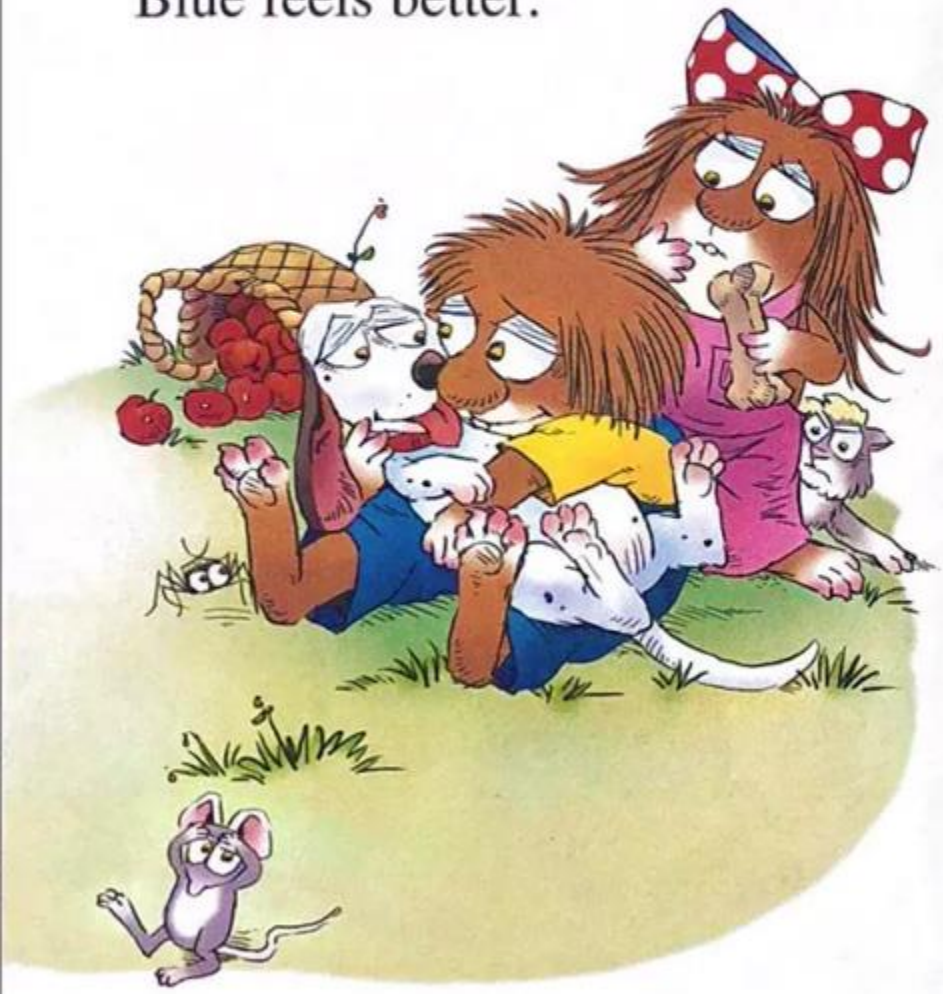
I step on Blue's tail.



Blue says, "Yelp!"

Now Blue needs a little love.

Blue feels better.



Little Sister brings her dolls

to show Grandma.

Mom says, "No, take two."

Little Sister says,
"My other dolls are lonely.
They need lots of love."

Kitty finds the egg salad.
Oh, no! Blue finds it, too!

We have no egg salad.

Mom is sad.

She needs a little love.

It is time to leave.

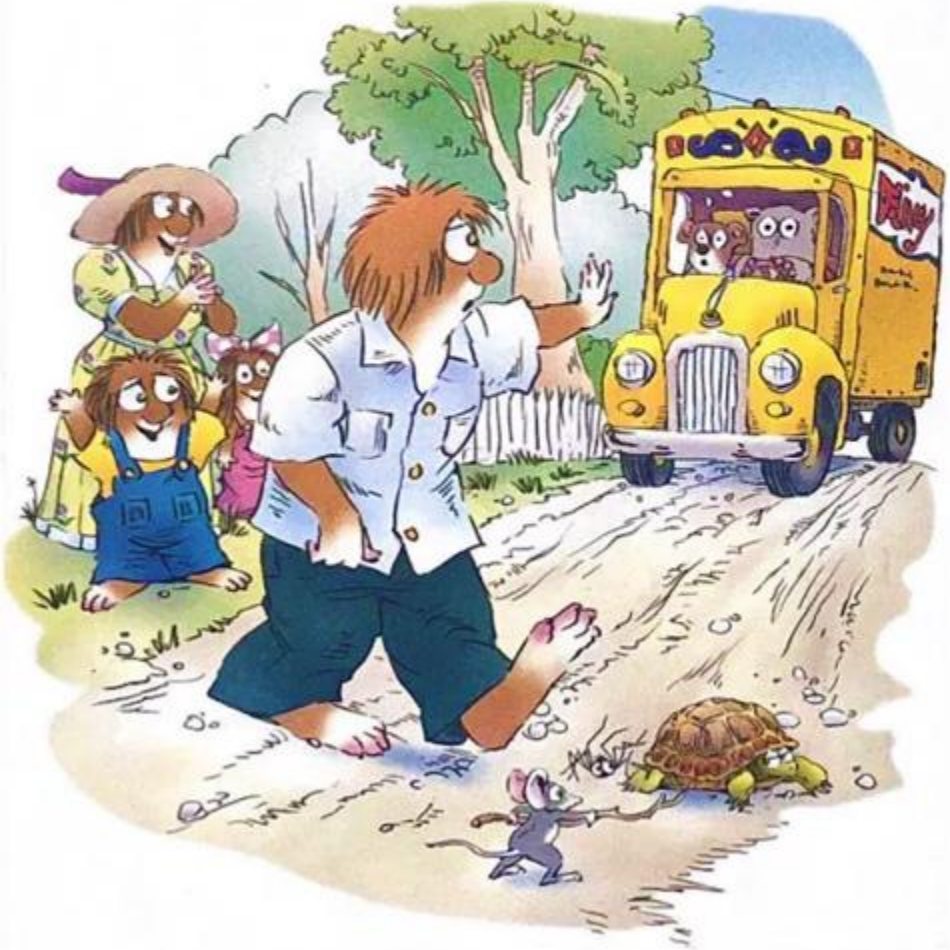
I say good-bye to my pets.

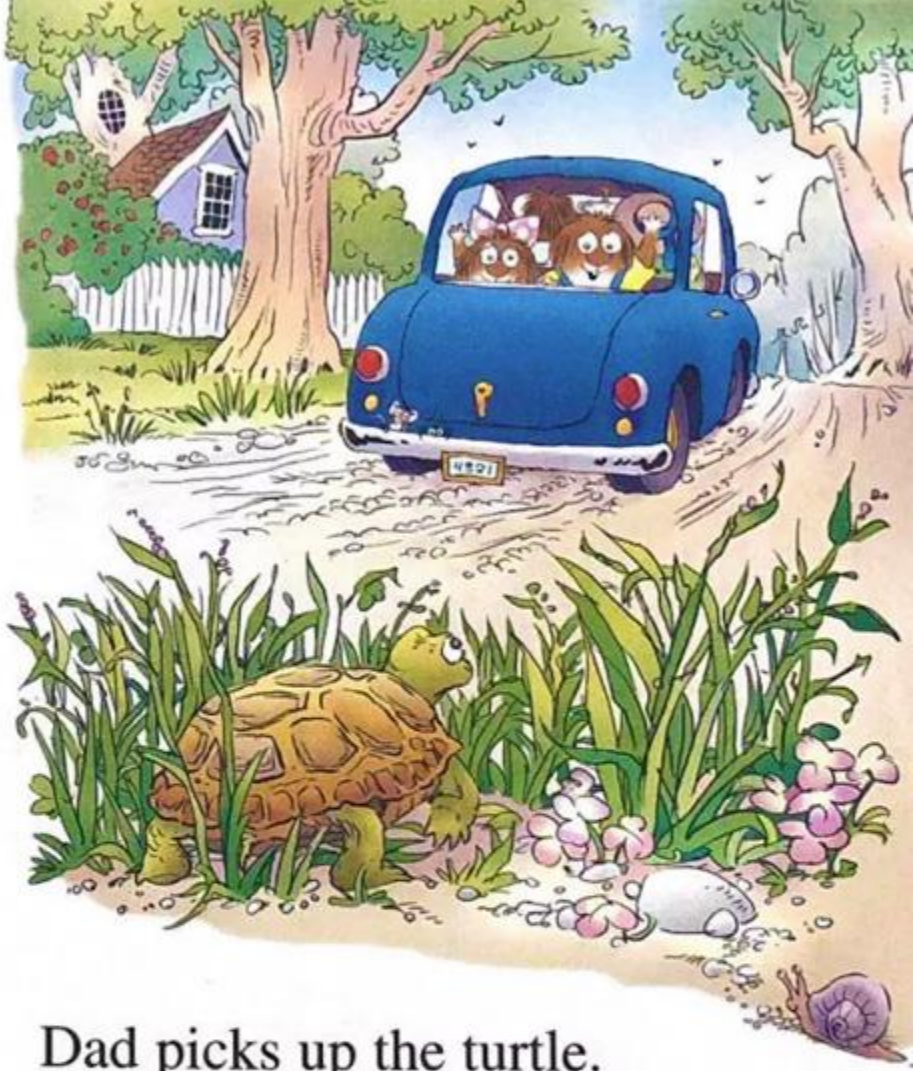
They look sad. I hug them.

I see a turtle in the road.

"Dad!" I say. "Save the turtle.

Turtles need love, too."





Dad picks up the turtle.

Dad puts him in the grass.

He is safe. We wave good-bye.

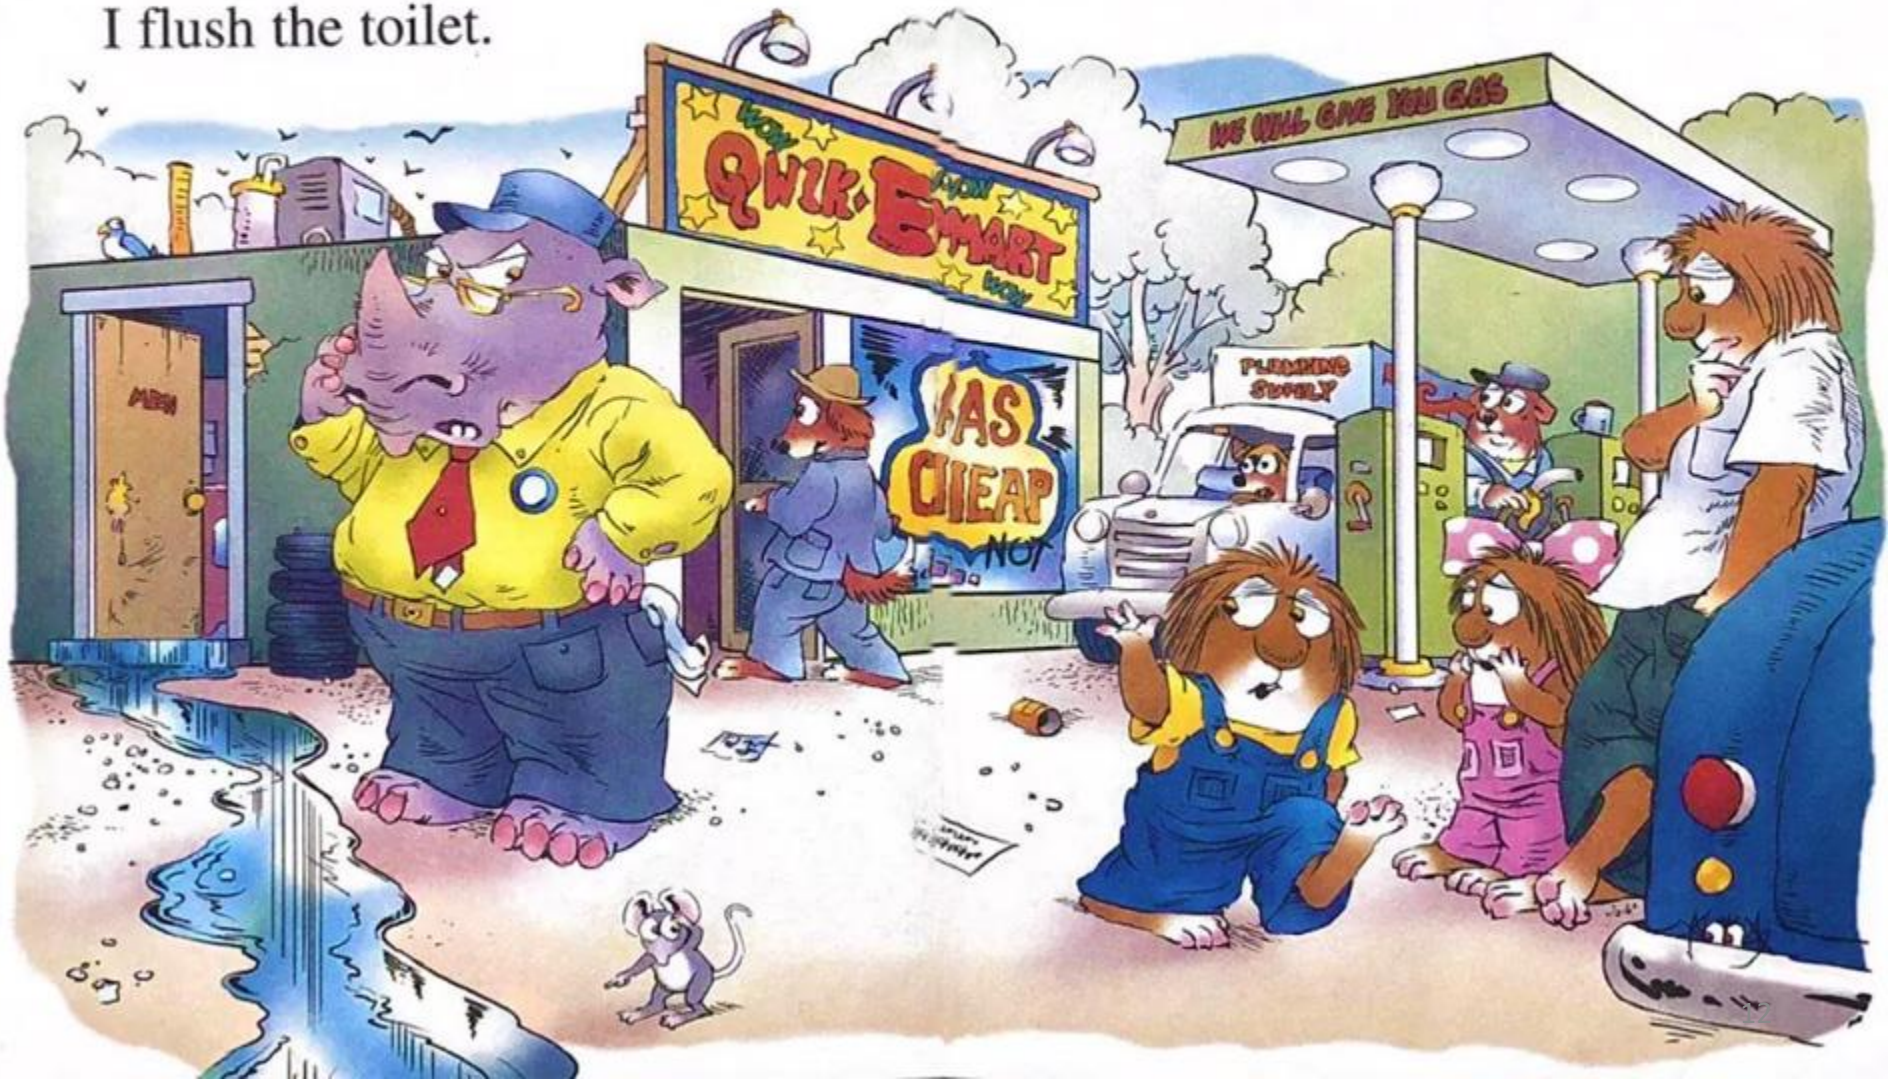
I need to use the bathroom.

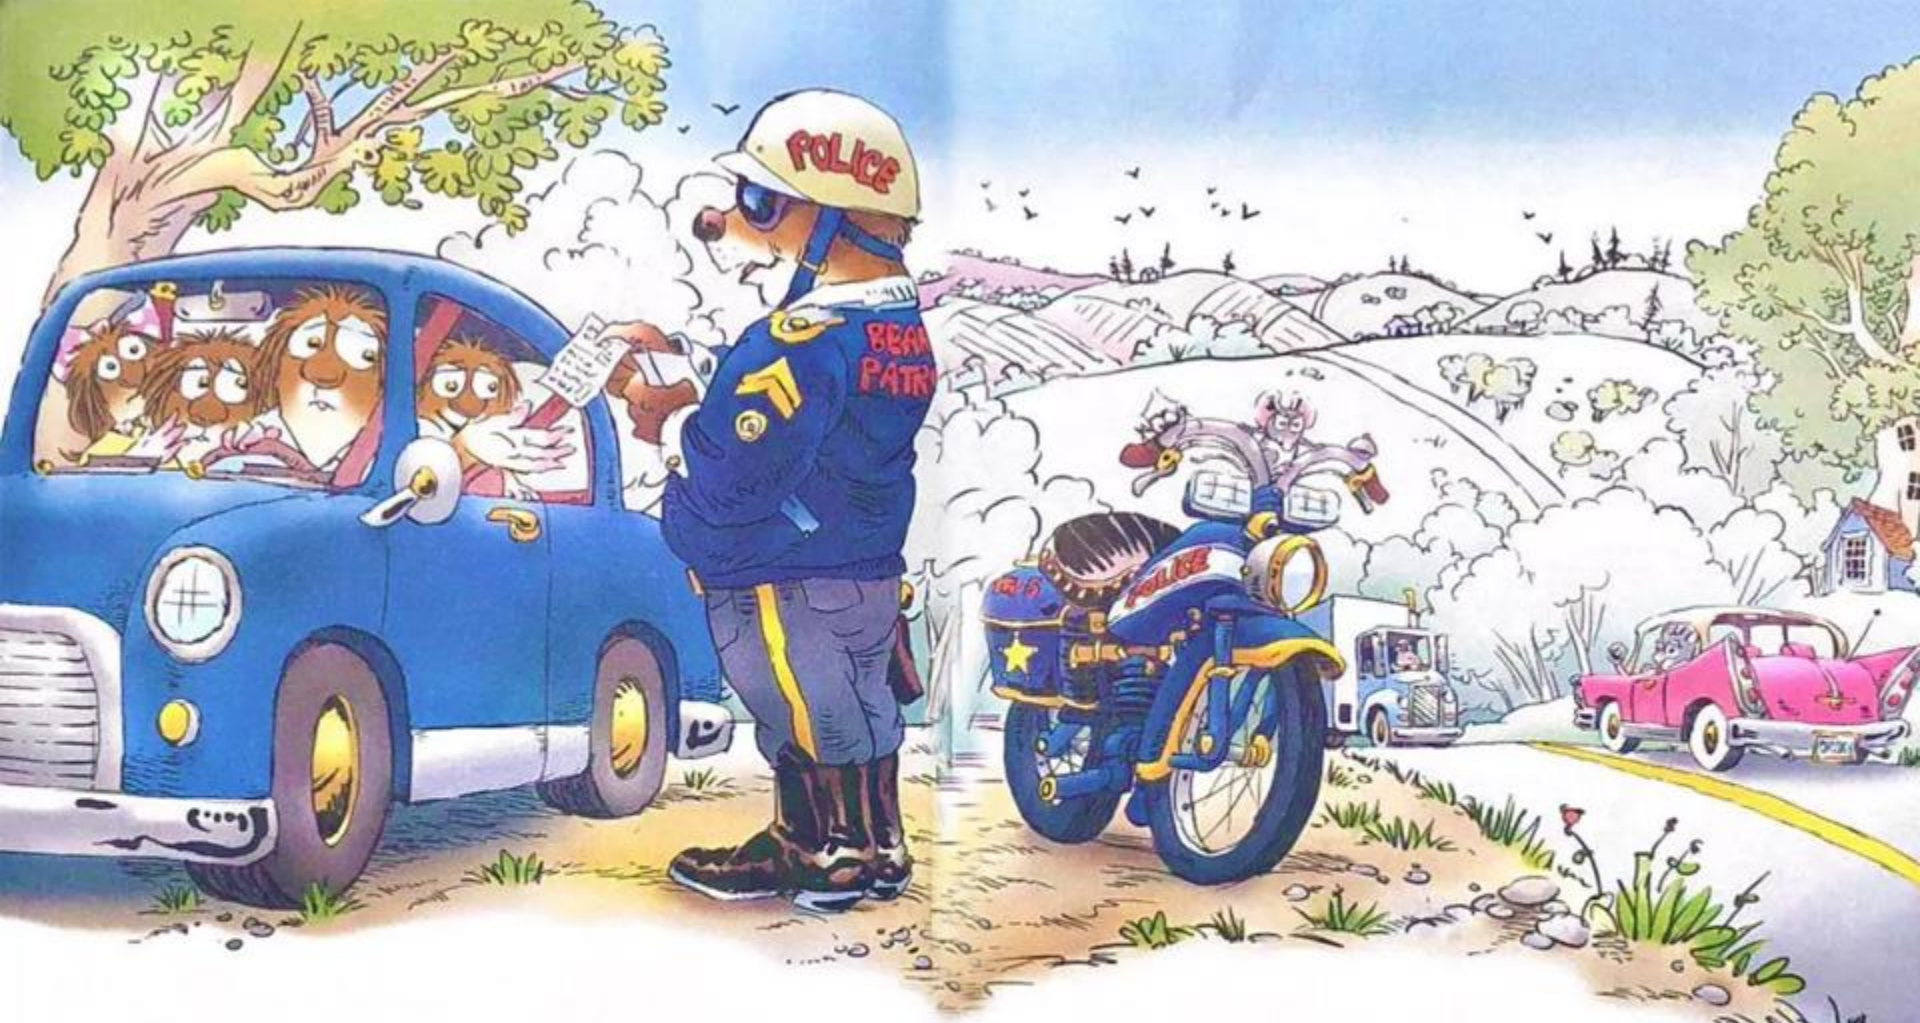
Dad stops at a gas station.

I flush the toilet.

The water pours everywhere.

I say thank you and leave.

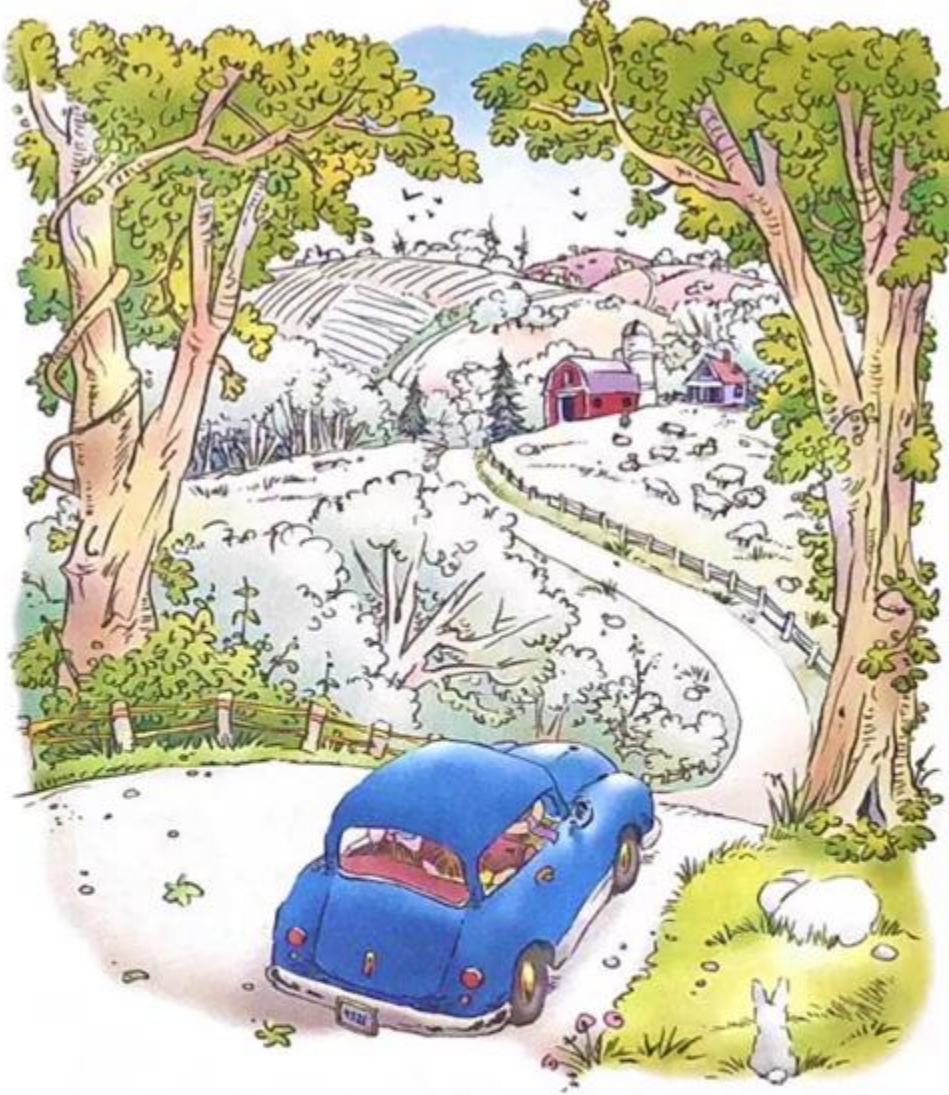




A man on a motorcycle
with flashing lights
tells Dad to pull over.

He is a state trooper.
He gives Dad a ticket,
but not for a ball game.

Dad does not look too happy.
We all give Dad some love.
Now he will feel better.



Dad starts the car.
We have a nice slow drive
all the rest of the way.

Here we are.

Grandma is not in bed.

She is sitting with Grandpa.

I say, "Grandma, I thought you weren't feeling well."

Grandma says, "I wasn't.

"I just needed a little love."

I say, "Me, too, Grandma!"

Grandpa calls and says

Now he will feel better.
爸爸看上去不开心。
我们给了爸爸一些关爱。
现在他感觉好多了。

我说，"奶奶，我以为你不舒服呢。"
奶奶说，"我没有不舒服。"
"I just needed a little love."
I say, "Me too, Grandma!"
"我只是需要一些关爱。"
"我也是，奶奶！"我说。
